CONDITIONS OF BUS TRAVEL

Approval to use the bus:
All students require written approval from the Principal of NHS (or nominee) BEFORE using a DECD bus servicing a school in the Barossa Valley Area. Students must use the bus regularly to maintain eligibility to travel on the bus (ie. More than 50% of the time).

When a change of bus is required:
The DECD transport administrators at Nuriootpa High School reserve the right to change a student’s bus in the event of a bus’s capacity being exceeded or a bus route being changed.

Bus Rules:
When traveling on the bus all school rules apply:
- Use assigned seat and seatbelt (if fitted).
- Students need to promptly follow the directions of the driver.
- The whole of your body must remain within the bus i.e. no part of the body to protrude from the windows.
- Nothing is to be thrown in or out of the bus.
- Student behavior must be such that the bus driver can concentrate on driving safely.
- Students must wait for the bus to become stationary before getting on or off the bus.
- Only eat or drink on the bus if approved by the driver. Keep the bus free from litter.
- Be at the bus stop at least 5 minutes before the scheduled departure.
- All students must be seated whilst traveling and use the same seat throughout the year unless otherwise directed.
- Please advise the driver if you wish to get off/on at a different stop temporarily and notify the school via a note in the student diary.
- Use appropriate language at all times.
- Be respectful when (and if) interacting with the public.
- Avoid any damage to the bus or other student’s property.

**Any repair costs due to vandalism to the bus, seats, seatbelts etc will be recovered from parents.

Breaches of Rules:
Breaches of rules can result in detention or suspension from the bus.

Changing Buses:
If a student wishes to permanently change buses, a new application form is required.

The new place of residence will need to meet the required criteria for the student to remain eligible to travel on a DECD bus to their current school.

A Temporary Change:
If a student needs to change to an alternative bus route, then a note from the caregiver is required at least 24 hours before travel. A bus pass will be issued only if there is room on the bus.

Not using the Bus at night
If a student is not going home on the bus, the student must inform the bus driver in the morning.

Ceasing to use a bus:
If you no longer require the use of the bus service, please inform the transport coordinator at Nuriootpa High School.

Change of stop:
Any temporary change of stop requires a note to the bus driver. If the change is to be permanent, the
