Newsletter No. 1 Term 1 Week 4 18 February 2021

Page 1

FROM THE PRINCIPAL

Welcome to the first newsletter for 2021.

This year we have welcomed 253 new Year 8 students and their families and a number of other new enrolments. At our first census, the enrolment figure was 1147.75 students, including 75 FLO students, 19 students in our 2 Special Classes and 31 students in our 4 Disability Unit classes.

Staff are keen to develop and maintain positive relationships with all families so that we can work in partnership and support all students to achieve their potential. We look forward to this shared work in 2020 – this will be of the highest order with strong communication. Do you use the parent portal in DayMap?

If you need more information, please go to our website or call the school.

SACE Results from 2020

I would like to congratulate all of our Year 12 students from 2020 achieving their potential. At the Year 12 Celebration Assembly in week 3, I shared that our class of 2020 demonstrated what true success is – it is not about things or status or money, but is about the kind of person you are and the positive impact you have on the world. Overwhelmingly, this class were, and are, truly successful.

I left them with the thought:

"The dictionary is the only place where success comes before work"

We were very pleased with the Year 12 results from 2020. It was great to see 97% of our students achieve their SACE. 96% of all grades were A to C. There were 15 students with an ATAR between 90 and 100 and 16 students with an ATAR between 80 and 90.

Recipients of A+ with merit certificates

Lucy Dickinson	Physics	Chris Gambell
Alyssa Feltus	Biology	Angus Magarey

Chelsea Linke

Our students at the Flexible Learning Centre achieved much success.

During 2020, 10 students completed their SACE.

At our Celebration Assembly, three students shared some of their insights with the student population. Each student thanked the teachers from throughout their schooling for all of the help and support they provided.

Some excerpts from Lucy's speech are:

Loving school might sound pretty nerdy to a lot of you, while some of you, especially year 12s, might be feeling the pressure to think the same way in order to achieve what you want to do this year. You might think that the reason I love school is because it's natural, or easier for some people, but by year 12 that's not really the case. You don't have to be the most academic student, or the student who does the most study to love school. If you put your own happiness at the centre of your goals, then learning will follow. And by this, I mean choosing subjects that genuinely interest you and you are passionate about, connecting your learning to the real world and your community and find a love for learning .

I think a lot of people fall in the trap of making their measure of success an ATAR or a number on a page, study can become very dry and boring if you're not engaged in what you are doing. When you are connected with your community and allow yourself time to care about the bigger picture, your academic success will follow naturally.

Lucy Dickinson 98.9

So instead of setting your goal to be a number or a grade, set a goal to make connections, build your community or improve the environment and you'll quickly find that school and learning becomes far more relevant and enjoyable.

Use all the incredible tools and resources school provides to make your mark. We are so lucky at Nuri High to have such supportive teachers who are always willing to go the extra mile to help you succeed, and all you need to do is ask.

Some excerpts from Alyssa's speech are:

I thought I would pass on some advice to everyone here today; a lot of which is advice I wish I knew earlier in my schooling.

Learn when to prioritise yourself over your studies. So many people sacrifice themselves for the sake of their studies, but in reality, your physical and mental health is more important than your education, and if you're not feeling your best the work you produce is not going to be your best. Take time out for yourself, whether it be structured extracurricular, reading a book, going for a run, or anything that just makes you feel better.

Communicate with your teachers, and ask for help when you need it. Teachers are there to support you, but they are not mind readers. They can't always anticipate your needs, so you need to advocate for yourself and speak up when you don't when you need support .

As stressful as Year 12 was, it was also my favourite year of school, and I hope that this year's and all future year twelves have a much smoother year than we did.

Alyssa Feltus 97.35

Some excerpts from Elliot's speech are:

At the start of Year 12 I felt like I had all the time in the world to do everything. I quickly learnt that was not the case. I would constantly delay assignments thinking I had plenty of time to finish it later only to spend the last week from the deadline cramming as much as I could to get the work done in time.

It worked out in the end but my advice to the to the year 12s this year is don't delay your assignments, get them done early to give yourself some time for the unexpected.

Keep a good study life balance, don't drop everything for school but study as hard as you can and lastly reach out to teachers if you need help, they want you to succeed as much as you want to.

SRC and House Captains

At our Celebration Assembly we also presented badges to the SRC and House Captain students for 2021. These students play a vital role at our school. They give up their time to contribute to our school community while developing their leadership skills. The school community acknowledges and thanks these students for their contributions.

Mobile Phone Policy

This policy has been introduced with overwhelming success. We are having less than 5 students per day since day 3 – none on the first 2 days. There have been 4 students who have re-offended and they have lost their phone during the day for 5 days.

Parents/carers have been supportive when contacted, which is really appreciated by the school. Teachers are reporting positive impact in classroom - they feel they can get on with their teaching!

Preparation for Year 7s in 2022

This continues to be a big piece of work within the school. At our first Pupil Free Day during week 0, each faculty worked on the Year 7 curriculum – looking at content, pedagogy and tasks. Faculties are currently discussing their staffing needs for 2022 in order for vacancies to be determined.

We are also looking at where to locate a Year 7 hub, given the current building program. We are also looking at the non-curriculum SSO workflow for 2022 and then 2023. There will be a spike in many areas such as ICT and Finance during 2022 due to the double cohort arrival. We have appointed a Year 7 Year Level Manager who is working with the Assistant Principal in looking at transition and orientation.

We are working with the partnership schools in developing and implementing transition and orientation action plans for students and also for continuity of learning.

We are also planning for 2 Open Days later this term for Year 6 and 7 students and their families. This is a standing agenda item on Governing Council, Executive and Leadership Team Meetings.

Year 7 Facilities Update

The successful tenderer is BluBuilt Constructions Pty Ltd.

Drama/Multi-Purpose Building

- The builders have demolished the Drama building, including asbestos removal.
- The next steps are to have a survey of the building area and pad preparation.

Hospitality Building

- Hospitality building external wall has been removed. The current work is to have a footing inspection and the slab will be laid in the next fortnight.

Tech Studies

- There has been a soft demolition in this area now that the tress have been removed.

We are meeting fortnightly with all personnel involved with the buildings.

Due to lack of car parking space, the school is leasing the block diagonally opposite the school (formerly, Go Bananas).

New Disability Unit Facilities for 2022

- Plans for the double classroom building have been agreed to by the Inclusive Education Team. We are very happy with the design.
- Potential tenderers have visited the site.
- We understand that the building will be ready for occupation during term 3. This will allow us to have a third special class in 2022.

Buildings 15 and 34

These are 2 x 3 classroom transportable buildings near the STEM building. They will be replaced by 2 x 2 classroom buildings by the end of this year. The buildings will come from another school who will be using these as part of their decanting process.

Home Ec Kitchens

The school is paying for the renovation of the 3 existing kitchens. We have received quotes for the different parts of this renovation. We are now waiting to see how long the Hospitality Centre will take as we cannot have all kitchens not available concurrently. We are also looking at what work can be done during school holidays.

Governing Council Annual General Meeting

Our school's Governing Council Annual General Meeting will be held on Tuesday 16 March at 7pm. All parents/caregivers are invited to attend.

The Governing Council is such an important part of our school. Meetings are held twice per term on Tuesday evenings at 7pm. Some areas that the Council cover include approving the budget, approving and monitoring the school's improvement journey through reports from the principal, approving school closures and representing the school community's views to ensure they are represented. We are keen to welcome new members and will support you if you have not undertaken the role previously.

If you would like to nominate for Governing Council, please complete the Nomination for Governing Council form on page 8 of this newsletter and return to our Front Office in person, send in via email: dl.0788.admin@schools.sa.edu.au or call us on 8562 2022.

I am looking forward to a successful year at Nuriootpa High School in 2021 – one in which there will be much change and preparation for our new Year 7 cohort of students.

TRADITION

RELATIONSHIPS

EXCELLENCE

Dear Parents/Caregivers

Re: School Closures and Cancelled School Bus and Taxi Runs on days of Catastrophic Fire Danger Ratings

A number of our school managed School Buses and Taxis will **not** run when a Catastrophic (Code Red) Fire Danger Rating is declared for the **Mt Lofty, Murraylands or Mid North Fire Ban Districts**. The SA Government/DECD policy is that schools will close, and school buses and taxis will not run, in designated fire ban districts when those districts have a declared fire danger rating of **Catastrophic (Code Red)**.

Nuriootpa High School is **not** in an affected fire ban district and **will** remain open. However, the following buses and taxis **do** travel into the above fire ban districts and therefore are **not** permitted to operate on Catastrophic (Code Red) days for that district.

Run Code	Run Name	Murraylands	Mid North	Mt Lofty
CVLYN	Cockatoo Valley			✓
EVM	Eden Valley to Angaston	✓		✓
FWWJP	Flaxman Valley/Jubilee Ave/Penrice			✓
GOM	Gomersal/Bethany		✓	✓
GRN	Greenock		✓	✓
LYNH	Lyndoch/Tanunda			✓
LYNN	Lyndoch Express			✓
MAG	Moculta/Angaston			✓
RFT	Rowland Flat			✓
SEAN	Sedan/Angaston	✓		✓
TRO	Dutton/Truro	✓		✓
VYD	Vineyard		✓	✓
	Taxi Run 01			✓
	Taxi Run 02			✓
	Taxi Run 03		✓	✓
	Taxi Run 04		✓	✓

While these buses and taxis are not permitted to run, students affected **are** permitted to attend school but transport to and from school on that day would be at the discretion and responsibility of their parents/caregivers.

As per our guidelines, an **ADVANCE WARNING** bulletin will be provided two days before a possible bus run cancellation.

It is possible that the CFS/weather bureau will declare Catastrophic (Code Red) at **very short notice** and it may not be possible to issue this advanced warning.

Information will also be provided via the school answering machine, website and noticeboard. It is essential that all families also monitor the media and public broadcasts and warnings associated with bushfire warning and with taking control of their own bushfire safety and preparedness. Families can also contact the parent hotline, 1800 000 279, which will operate the day before and throughout bus run cancellation periods when the Catastrophic (Code Red) level bushfire weather is forecast.

Thank you for your understanding and cooperation as we work together to keep our children safe.

Regards

Gerri Walker

School Sport

Welcome to the 2021 school year; let's hope we have a much smoother year in School Sport.

This year Sports Day will be held Friday 12 March (Week 7) – see programme, map and letter for helpers on the following pages of this newsletter. Students will compete in their respective Houses in both Track and Field Events and also some fun Novelty Events for points to achieve both individual trophies and overall House Champions. Light (Yellow) were crowned champions for the second year running in 2020 so let's hope for another close competition with plenty of participation. From Sports Day results, a Track and Field team will be selected and these students will compete at the Secondary Schools Athletics Championships at SA Athletics Stadium (Mile End) on Wednesday 31 March (Week 10).

Term 1 also begins with many Knockout Sports on offer including Open Boys, Open Girls and Year 8/9 Boys Cricket. The Open Boys have advanced defeating Kapunda in Week 3 and the Open Girls also advancing to Round 2 defeating Faith. The 8/9 Boys will play Kapunda in Round 1 at the end of Week 4.

In addition to cricket we have Open Boys and Girls Tennis draws, Track and Field and Triathlon Championships at West Lakes. Term 2 will see draws for Netball, Football, Hockey and Soccer announced soon with practices / trials to be conducted in Student Development times on Wednesday and Fridays.

If a student considers themselves to be at a State level in any sport then they can nominate to go to State trials, which are generally on weekends. Students will be asked in the following weeks to if they would like to consider trying out for State level by seeing Mr. West for instructions on how to enter or alternatively students and parents/caregivers can visit: <https://www.decd.sa.gov.au/teaching/sport> for further information.

If you have any questions about school sport, please do not hesitate to contact Mr. Brad West on: 8562 2022 or by e-mail: brad.west971@schools.sa.edu.au
