| Welcome to the parents/carers of our Year 7 and 8 students for 2022             |
| I would like to thank the parents/carers of the Year 12 students for their part |

I would like to thank the parents/carers of the Year 12 students for their partnership with the school over the last 5 years. Working together does make a big difference for outcomes for the students. As we approach the time when the students get their SACE results, it is important to reflect on the achievement of every student and what they have contributed to our school and the wider community.

A big welcome to the parents/carers of the Year 7 and 8 students for 2022. We are sharing this newsletter with you as there is some information about next year and we wanted to ensure you were ready to begin our partnership over the next 5 – 6 years.

As the students complete their primary school in a unique year, take the time to celebrate what has happened during the student's primary years and get ready for the secondary experience – we are really looking forward to a smooth transition.

#### **Preparation for 2022**

Within the task development, there has been a focus on the written work which has been where our improvement journey has concentrated.
- Buildings last Tuesday the Minister for Education, John Gardner, officially opened our Capital Works Project and the new Inclusive Education Centre double classroom. There are significant building works currently at our site. They are:

#### COVID19 Update

On November 16, the Commissioner of Police, acting in his role as the State Coordinator responding to the COVID-19 pandemic, announced the Emergency Management (Education and Early Childhood Settings Vaccination) (COVID-19) Direction 2021.

Under this Direction, COVID-19 vaccinations are mandatory for all people who work or volunteer at our school except those who have a medical exemption endorsed by the Chief Public Health Officer. This includes:

- All of our staff and contractors
- Anyone who visits our school for work purposes
- Our Governing Council members
- All volunteers

Under this Direction, all of the above-mentioned people must receive at least 1 dose of a Therapeutic Goods Association (TGA) approved COVID-19 vaccination and a booking to receive a second dose by 11.59pm on 10 December 2021, which is the last day of term.

The Direction does not apply to students, parents dropping off or picking up children, attending parent teacher interviews, events or similar, as long as they are not working or volunteering at the event and COVID safe measures are followed.

In closing, I would like to thank the:

- Nuriootpa High School community with whom we have had a very strong partnership during this challenging year
  – your overwhelming support has been appreciated
- Governing Council members for their contributions to the school community, representing the families in a positive manner
- Staff for their ongoing commitment, dedication and passion they have stood up and taken on the challenges, always having the students as a focus
- Students for their resilience and persistence and accepting the challenges that 2021 presented them

Working as a team has meant that there are far more successes for our students – I look forward to this ongoing partnership in 2022 with our new families and continuing with the existing families.

I wish everyone associated with our school a safe and happy summer break and send the compliments of the season to all.

# **Barossa Valley Chocolate Company Excursion**

One of our Year 12 ATSI students as part of his SACE Community Learning focus organised for students to attend and tour the Barossa Valley Chocolate company, located in Tanunda. Students were taken on a tour of the Chocolate company, by Managing Director, Dru who explained chocolate making, the retail side of the business and where chocolate is sourced from in the world. The students were also introduced to the many chocolates that are created by the Chocolate factory and indulged with a tasting session.

'Watching how they make the chocolates on-site was really interesting to me.' Lucas

'Ruby chocolate, how it's made and how special it is as it comes from Belgium, was really interesting to me,' Rainge

#### 8/9 Boys and Girls Basketball

The year 8/9 boys and girls basketball teams travelled to Wayville to compete in the finals playoff. The girls played six games consisting of two 10 minute halves. Nuriootpa came up against some strong competitors and schools, however, the girls contested the ball and only lost by a few points in most matches. They had a win against Charles Campbell and drew with Woodville which landed them in finals match playing for 3rd place. Unfortunately we lost by a few points landing us in 4th place over all. The girls played terrifically as a team and represented the school well. The boys defeated Woodville, Unity and Charles Campbell. They played in the 3rd place match against Thomas More and won in an exciting and physical match. Well done to both teams and thankyou to Ms Biscette and Mr Moresi for coaching.

#### 8/9 Boys Cricket

The boys finally got to play their Grand Final match after a long delay as a result of Covid protocols mid-year. The boys had a long travel to Port Pirie to play Samaritan Collage (Whyalla). Unfortunately big storms come over during the day and with assistance from the Duckworth-Lewis-Stern method, Nuriootpa were chasing 40 runs. The boys made this target easily and were crowned State Champions for their division. Thankyou to Mr Lacey for coaching.

2022 brings some significant changes to School Sport with most sports consisting of three age levels, Years 7/8, Years 9/10 and Years 11/12. This gives students more opportunity to represent their school in extra-curricular sport and coaches / manages will be sought after throughout the year. If any parents or caregivers want to volunteer their time to assist and even for uniform washing duties, your help would be appreciated.

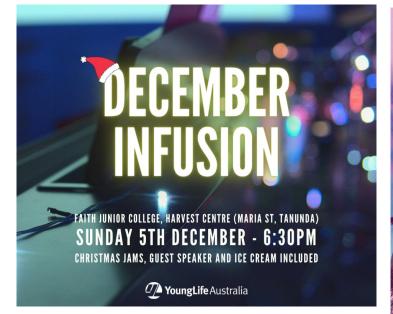

I would also like to take this opportunity to thank our generous sponsors to School Sport throughout the year, The Barossa Coop, The Vine Inn Community Hotel, Anytime Fitness Barossa, Community Helpers Inc. and Hughes and Loveday Sports Warehouse. Your contribution to school sport has enabled us to design and purchase new uniforms and upgrade equipment to continue to strive for excellence. Looking forward to some more state titles and participation in School Sport for 2022.

Yours in Sport, **Brad West - Sports Manager**
