All devices listed on our "School Recommended Device Portal" with the company called LWT (Learning With Technologies) meet the recommended device requirements.

Recommended Device Type

Device Type	Laptop with Touch Screen & Digitial Stylus Pen
Operating System	Microsoft Windows 10 / 11 Pro or Home *
Battery Life	10+ hours
Screen Size	11-14 inches
Storage	At least 128GB of solid state (SSD) storage.
RAM / Memory	Preferably 8GB or more.
User Input Features	Touch compatible device with a digitiser for digital pen input that can be used with digitial inking/artwork.
Wi-Fi Adaptor	802.11AC Dual Band 2.4GHz & 5GHz capable, or newer Wifi standards (AX, Wifi 6 etc).
Warranty	Extended Warranty (3 years) with Accidental Damage Protection is recommended
Carry Case	It is recommended that you purchase a "hard case" to store the laptop in while it's being carried around, even if the student then puts that hard case inside their backpack. A hard case gives better protection for impacts that may damage the laptop screen etc.

DEVICE OPTIONS – LWT Portal

You are looking for a device, which meets the Recommended Specifications, but at a price , which suits your budget

The "Student Recommended Device (SRD) Portal", managed by LWT (Learning With Technologies), currently lists six devices, primarily the LENOVO brand which have proven to be beneficial in BYOD schools due to their:

- **Hard wearing / Robust / Reliability in schools**
- **Minimal Technical Issues**
- **Cost effectiveness (*to purchase and repair*)**
- **3 year on-site warranty through LWT**
- **IT Support available when needed**
- **Finance payment options**
- **Device Accidental Damage Protection, Loss & Theft Protection options**

https://nuriootpahs.orderportal.com.au

DEVICE TECHNICAL SUPPORT

NHS support with "Recommended Device Portal" devices:

Warranty and non/warranty related issues
Logging support requests

General NHS Support for BYOD:

NHS BYOD Portal access
School Passwords
Minor Software Issues
WIFI Connection Issues

DEVICES TO AVOID

iPads, Android and Chromebook devices:

Please do not purchase iPads, Android and Chromebook devices as they are not supported on our school network.

OTHER CONSIDERATIONS

MacOS devices

MacOS devices do not have all the same software availability as a Windows device. As the NHS network is predominately Windows based, please take this into consideration when buying a device. MacOS users may have to find alternative software to what Windows users may be using in the classroom.

DEVICE ‘EXTRAS’

WARRANTY

3+ years is recommended

INSURANCE

It is recommended to get **Accidental Damage Protection** (ADP) cover on the device if available.

You can also check with your own insurance provider concerning ADP cover. This may be covered in your Home and Contents options or under ‘Portable devices’.

DEVICE 'EXTRAS' SOFTWARE and LICENSING

You are not required to purchase anti-virus software or Microsoft Office 365

DfE ICT Services have joined with Microsoft to make available FREE Office 365 services including:

- Office Pro Plus (*Installed version of Microsoft Office for student BYOD devices*)
- Office Online (*Web based Microsoft Office*)
- OneDrive (*1 TB of Personal cloud storage*)
- Teams

**Office 365 services will be available at the start of Term 1, 2024 for Year 7 students

***A Cyber-Safety User Agreement containing Office 365/Google content was issued in the 2024 Enrolment Pack and must be completed/returned prior to NHS Network and Office 365 access being granted

Other software questions? – please email us

DEVICE 'EXTRAS'

SOFTWARE ACCESS

Access to the "NHS BYOD Portal" provides 'all hours' access to the majority of software tools required, and can be accessed externally – **excludes** Adobe Creative Cloud software (e.g. Photoshop) and Solidworks (3D CAD).

*A free copy of **Office 365** is available for BYOD students (available to install on five devices) whilst attending NHS*

(Backing up Data is critical)

Stylus Pen

Hiring & Loan Laptops

We implemented a "Loan Laptop" program for students who needed an external device for various reasons

Possibility of hiring a laptop from NHS over a "time period".

Contact John Barkley or the ICT Team via email if interested to learn more.

DAILY LOAN LAPTOPS - for 'emergency' lessons use

The NHS Resource Centre has Daily Loan Laptops available for emergency daily use. Students can borrow a device before school and return it at the end of the school day – '**monitoring enforced**'.

There is an ICT Agreement Policy for BYOD/daily laptop loan use on our NHS website that outlines the rules and procedures.

PART 3: What do Caregivers need to do to set up a device?

1. Please carry out initial operating system setup at home.
   (e.g. Windows/MacOS setup wizard when you turn the laptop on).
2. When school starts NHS will provide BYO setup time for students to connect to the network.
