From the Principal
By Gerri Walker

Year 12s

Our Year 12s have completed their formal education at our school. The external exams began this week. The students enjoyed participating in a 'Spirit Week' during week 2.

There was also a whole school assembly (Year 7s and 8s and Inclusive Education via live streaming) and Years 9 – 12 in the stadium – a first for the year! A breakfast happened on the Friday morning of week 2 followed by the Presentation Evening at Tanunda. This was an enjoyable evening where each student was presented to the school community and students were recognised for their successes during the year.

We wish our Year 12 class of 2022 every success in their future.

Good News/Thanks/Positive Stories

- On Wednesday, week 1, the ABCX film crew came to our school to discuss our wine program, the importance of viticulture and wine making in our region and the transition from school to the industry. Our students did a great job conveying their passion for viticulture and future career aspirations. It was great opportunity to acknowledge the history of the wine program and the support received from the wider community to continue to develop and strengthen our program. Students, Oscar Schultz, Chloe Rosenzweig and Emily Knights were involved. Staff, Milly Hoffmann, David Bowley and Josh Bottrall were the staff interviewed. They have done some follow up visits - we can't wait to see the video launched next year!
- Congratulations to the Drama team on their performances during the last week of term 3. It was fantastic to have the Senior Drama production, *Something Wicked* by Kate Rice supported by the Year 9 Drama class. For those of us who had the pleasure of seeing the performance, it was fantastic. Anne-Marie Reichstein wrote in an email to the parents/carers of her students ***'The senior students did an outstanding job of performing with such conviction, engagement and energy and they also supported the Year 9's with empathy and kindness. It was wonderful to see new friendships and connections developing between all of the students.'***
- Congratulations to **Madison Boehm** in Nathan Lambert's Year 8 English class who will have her poem published in SAETA's Spring Poetry Anthology.
- Congratulations to **Rod Dorman** who attended a length of service award night organised by the Department. Congratulations and thank you to Rod for his 50 years of service.

Staffing Update

- Congratulations to **Kat Ward** who has won a permanent teacher position in the EALD area at Parafield Gardens High School from 2023. This is well deserved for Kat who has been a contract teacher for many years. We have really enjoyed having Kat at our school this year and valued her contributions.
- Congratulations to **Jen Williams** who has won the position of Assistant Principal (B2), Learning Support & Pedagogy at Kapunda High School from 2023 onwards. This is a great outcome for Jen and we wish her well – we will miss her leadership.
- Congratulations to **Brooke Krizman** who started her teaching career in the Disability Unit (IEC) at the beginning of this term. Brooke gained permanency as an SSO this year and has now moved to a teacher role. May this be the beginning of a wonderful teaching career for Brooke.

Coming Events

14/11	Open Boys Cricket
15/11	TPS Transition Y11 Fitness Excursion

From the Principal - continued

- **Ebony Deoliveira** has taken up the role as Year 9 Year Level Manager at the beginning of this term.
- Congratulations to **Rosa Niutta** on being successful in gaining permanency as a teacher in the Inclusive Education Centre.
- Congratulations to **Caroline Bey** who is making the move back to Nuriootpa with her family. She brings a wealth of experience in teaching English & HASS as well as leadership experience. Caroline is currently at Seaton High school.
- The Year 9/10 Year Level Leader 2023 position has been won by **Rainer Kahl**

Other positions that have been advertised internally with outcomes are:

- Year 7 - Year Level Manager – 2023/4 – panel in process
- Year 8 - Year Level Manager – 2023/4 – **Lauren Semmens**
- Year 9 - Semester 1 2023 – **Ebony Deoliveira**
- Year 12 - Semester 1 2023 – **Nat Noack**
- Aboriginal Education Teacher – 2023/4 - **Nat Axo**
- Sports Manager – 2023/4 – **Brad West**

Timetable for 2023

This is now being worked on by faculty leaders to staff classes. This will result in the offering of contracts for 2023.

Year 7s 2023

Transition for our 2023 Year 7s has begun and has been positively supported by our Year 11 Peer Support students.

Current numbers for 2023

- Mainstream 212
- Special Class 9
- Disability Unit 3

Public Education Student Forums

The department is running a series of facilitated student forums across the state for students to have a say on topics such as student wellbeing, student agency, the curriculum, and preparing for life after school. They want to know what they currently value and to imagine the possible. Collective feedback from the students will be used to continue this conversation with stakeholders and feed into the start of staff consultation at Leaders' Day 2023.

By the start of term 2 2023, the department hopes to have heard from as many students, staff, stakeholders, parents and business leaders as possible to help them derive a purpose statement, a set of guiding principles and measures of performance as a public education system.

Kat Ward took 3 of the Year 7/8 debating team to represent our school. The students are Zinnia Weight, Edie Bolton and William McCarthy

Grounds and Facilities Update

- The playground in the Inclusive Education Centre is being installed – we are very excited about this finally happening!
- Hot water in the multipurpose building toilets has now been installed
- Our telephone service has been upgraded to Telstra IP
- Installation of new TVs to 10 classrooms
- New stoves have been installed in the Home Ec kitchen that was not recently upgraded

Site Improvement Plan (Improvement Journey)

There have been 2 learning sessions with staff since our last newsletter. The topics covered have been:

Session 1: High Impact Reading Strategies based on the Highly Reliable Literacy Strategies by John Munro. Topics covered included:

Overview of the 7 Strategies

- Getting Knowledge Ready
- Vocabulary
- Reading Aloud
- Paraphrasing/ Visualising
- Saying Questions The Text Answers
- Summarising
- Review

From the Principal - continued

Planning activities that support the strategies

Seeking resources that support the strategies

There was a focus on Reading Aloud with strategies that can be used within the classroom.

Session 2: Differentiation – 'What are we going to do to increase depth, broaden, extend and improve upon the knowledge and the skill base of every student in the class, regardless of the starting point?'

- Differentiating a lesson by adjusting content
- Differentiating a lesson by adjusting the product
- Differentiating a lesson by adjusting the process
- Differentiation and student agency
~ in mixed faculty groups, staff shared:
- What student needs do you differentiate for?
- How do you know who needs differentiated teaching/curriculum/outcomes
- What does differentiation look like in your classroom?
~ staff then worked in faculty groups and responded to the following:
- Within your faculty groups share the conversations you had in the mixed groups.
- What are your next steps as an individual, in developing your skills with differentiation.
~ as a faculty, responses were then developed to:
- What are you doing well as a faculty in terms of differentiation and what evidence would show this?
- What area of differentiation will you focus on developing/learning about as a faculty?
- What will this look like in practice?

These responses will now inform the next part of our improvement journey by working with faculty leaders.

At the training and development this week, staff worked in faculties to review their reading aloud activities in their classes. They discussed successes and challenges. The faculties then went deeper with the area of differentiation they will focus on as a faculty.

Key Points from Governing Council Meeting

- There was an open meeting for families to attend to discuss the Materials and Services fee – there were no attendees. The fees were set at \$498 and have gone to poll.
- A draft deficit budget of \$552,904 was approved by Governing Council. This was an additional \$100,000 than recommended by Finance Committee as Governing Council are keen to upgrade the grounds, especially the area adjacent to the year 7 Quads. The final budget will not be approved until the first meeting in 2023 as it will be based on actual rather than predicted student enrolment. *Note – the poll is currently open for parents to respond. Parents will have \$100 per student reimbursed by the government for full fee paying students.*
- Student Awards Working party to reconvene early next year to develop clarity about the criteria
- Uniform Committee to meet in week 4 to review prices of all items and make recommendations to Finance and Governing Council

SRC Report to Governing Council Mural

- A planning day has been held and students are now brainstorming ideas for the mural to bring to the artist
- We have sponsorship from Dulux- they will be providing all of our required paint and painting supplies
- We are still waiting to find out whether we will receive a grant from Barossa foundation

Water fountains

- We are still waiting for a quote from a plumber

Blue Gums

- A sign is being organised
- We are still in the planning stage of organising new pathways

Shelter

- We have received more requests for shelter around the school
- We want to start planning and collaborating with the sports teams for shelter on the ovals

Nominations

- Nominations have ended - voting will take place next week for year levels depending on numbers
- Proxy roles have been chosen for the rest of the year

From the Principal - continued

Casual day (this week)

- Our next casual day will be held and planned by the Barossa Foundation
- Foodless casual day
- Money raised going towards the charity of the Barossa Foundations choosing

Feminine care

- We are still brainstorming ideas on how to move forward with the feminine care focus group
- We are currently relooking at talking again to all year levels about bathroom vandalism to try and reduce vandalism

SRC Goals

- Try and get Blue Gums pathing started with a quote from Penrice quarry and see how much gravel we need - *after advice from Governing Council they may now consider sawdust*
- Get shelters underway, where do we want them, how many, permissions

SRC Update

Firstly, we would like to wish our finishing year 12's, Ashlyn Schrapel, Meg Couzner, Maddie Eggleton, Catrina Kellond, Lily McDonald and Chloe Peterson, the best of luck in their exams and their future endeavours. They have been an integral part of SRC this year, leading activities and guiding younger students.

The following Proxy roles for the remainder of this year, as voted by our members, are:

President – Peter Feaviour

Vice President – Lucas Day

Secretaries – Joanna Linke and Haylie Staunton

Public Relations and Media Representative – Blair Boehm

Treasurers – Travis Varcoe and Harrison Schultz

Student Voice Representative – Abbey Mattner

The SRC would also like to thank all students who donated and dressed up at our recent 'Superheros and Sports Stars' Casual Day. We raised around \$300 to donate to the Foundation Barossa Youth Council, which supports community grants, organisations and school-based programs.

The school-based mural is well underway! The first planning project day was held on Monday the 7th (Week 4), which included a group of students, a past scholar of Nuriootpa High School and the artist Lucinda Penn. The group discussed what the school meant to them and used imagery to draw the ideas on the Barossa's history and school's motto and values of kindness, connection, diversity and respect. These ideas were collaborated together and will be turned into designs, which will be painted as part of the mural. We ask that students that are a part of the mural planning and painting group keep an eye out for bulletins and messages on DayMap for the painting dates in the coming weeks.

We hope your term 4 is wonderful!

From the Finance Office

MATERIAL & SERVICES CHARGE

Outstanding Material & Services charges for 2022 are being referred to the Attorney General Department for debt collection. To avoid this process please contact the finance office on 85622022 or email dl.0788.finance@schools.sa.edu.au as soon as possible to arrange payment, in full, of any outstanding amount.

It is not too late to apply for school card but applications must be received by 23 November. School card forms are available on the school website. Please contact School Card on 1800 672 758 if you have applied & have yet to be notified that school card has been approved or contact the Finance Office if you require any assistance.

Library Halloween Display

It's trick or treat time in the Library with a 'scary' Goosebumps themed display for Halloween! Thank you to Carina, Alicia and Isabella for all their amazing work over several lunchtimes.

Ms Natalie Axo
Teacher-Librarian

"It was frightfully fun!" Carina.

"I found it fun to mix and match the props!" Alicia.

Year 9 Sculpture

On display in the Library are old books that were destined for recycling that have been repurposed and made into works of art! Ms Anne Johnson's Year 9 Sculpture class created unique sculptures from a range of old books. The books open up to incredible 3D sculptures that have been a source of interest for students and staff visiting the Library.

"I enjoyed making my book sculpture and working quickly with paper mache before it dried!" Rainge.

Ms Anne Johnson and Ms Axo

SPORTING SUCCESS

Congratulations to Year 10 student, Mia Devlin who competed in the Viva All Schools State Event held at Bridgestone Athletics Centre on the weekend.

Mia came home with a Silver medal in Long Jump and a Gold in the Triple Jump and has now qualified for the Nationals All Schools Event held in Adelaide in December.

Well done Mia and good luck in December.

Stage 2 Subject Awards

These awards are presented for the highest achievement in each SACE Stage 2 subject offered by the school, based on results at the end of Term 3. For subjects with large numbers of students, separate awards have been given for each class. Joint subject winners have been acknowledged when their high level of achievement was impossible to separate.

Subject Awards are kindly sponsored by:

- ♦ Greenock Creek Charter
- ♦ Dr K & Dr M Kunze
- ♦ Barossa Carpet Court
- ♦ Lone Pine Branch of the Agricultural Bureau

Subject Award: Winners with 1 Subject

Amanda Schliebs	Activating Identities & Futures
Ashlyn Schrapel	General Mathematics
Corey Burgemeister	Metalwork
Ebony Halman	English
Ella Cartledge	English Literary Studies
Ella Rowson	Psychology
Georgia Falkenberg	Essential English
Griffen Gladigau	Music
Halen Lange	Computer Aided Design
Hannah Schutz	Workplace Practices
Jemima Efthimiadis	Society and Culture
Jessie Maurer	Woodwork
Kailyn Schmitke	Health
Maegan Schiller	Industry & Entrepreneurial Solutions
Meg Couzner	Psychology
Olivia John	Chemistry
Olivia Rudiger	Ancient Studies
Shanee Garrett	Chemistry
Sophie Newcombe	Physical Education
Tayissa Hayden	Sports Studies

Subject Award: Winners with 2 Subjects

Bonnie Graetz	Modern History
	Visual Art
Matthew Kleinig	Mathematical Methods
	Specialist Mathematics
Isabelle Heinrich	Community Studies
	Research Project A

Subject Award: Winners with 3 Subjects

Freya Hongell	Legal Studies
	Research Project B
	Women's Studies
Zoe Schiller	Business Innovation
	Electronics
	Workplace Practices
Lydia Whenan	Biology
	Physics
	Research Project B

Subject Award: Winner with 4 Subjects

Isabelle Fairey	Agricultural Production
	Child Studies
	Essential Mathematics
	Legal Studies

Year 11 Australian Grain Technologies Excursion

The Year 11 Ag class visited Australian Grain Technologies (AGT) at Roseworthy on Friday 23/9. This facility is the largest plant breeding facility of its kind in the southern hemisphere, where the company focuses on the breeding and development of new wheat, barley, canola and lupin varieties.

Students toured the multi-million dollar facility, which included a state-of-the-art glasshouse, accelerated environment rooms (for accelerated growth and gene stabilisation of varieties of interest), the machinery shed, grain storage facility, quality control testing lab, milling, and dough/baking testing labs.

A huge thank you to Stuart from AGT for taking the time to show us around, and teach students about the importance and science that goes into breeding new varieties of grain!

Josh Bottrall - Ag Coordinator

Reading Restaurant

Towards the end of Term 3, a 'Reading Restaurant' was set up in the library for Mrs Centenera's Year 8 and Year 9 English classes. This exercise, organised by Teacher Librarian, Ms Axo, consisted of students having a 'taste' of various titles from different genres. Tables were complete with a chequered tablecloth, each table comprising of an assortment of books from a particular genre. Students were guided by a 'Reading Menu' and 'tasted' the first few pages of a novel from each table. They were able to make notes in their menu as to what they liked about the title and the genre, and were then able to borrow books they enjoyed the most.

This activity was designed to assist students to choose a novel for their independent reading task that will be during Term 4. Students enthusiastically shared their reactions with each other, some even making notes about what titles they will read in the future.

Mrs Centenera and Ms Axo

Over the past few months, students have participated in some Bushwalking at Mt Crawford and an Aquatics Day at Pt Noarlunga. A big thank you to Ms Semmens and Ms Biscette who accompanied us on these trips!!

Peter Welford

Year 10 and 11 Outdoor Education

Year 10 STEM Excursion

Recently group of year 10 students passionate in science and STEM left school bright and early for a day full of science adventures.

Our first stop was Lot Fourteen where we heard about starting a business in STEM, using resources available to us, and tips to become successful in the STEM industry. Next, we went to a campus of the University of Adelaide to hear about Artificial intelligence and machine learning. We met a robot named Temi who could follow us around and answer questions, much like Siri. Then, we headed to the Cyber Security area of Lot Fourteen where we learnt about cyber-attacks, how to prevent them, and other interesting facts about cyber security and the job opportunities within.

After, we walked to the Australian Space Discovery Centre, where we played 'Space or not Space' and heard some fascinating facts about space and saw the mission control in the centre. We were able to walk around and see some complex displays, interactive games, and informative facts about debris, satellites, and other space activity within our solar system. After our trip to the Australian Space Discovery Centre, we caught a bus to the Hilton where we attended a STEM career Expo.

We learnt a lot about future careers and with the help of many virtual reality displays. We then went to the Central Market for lunch and caught a bus home, arriving back at school before the end of the day.

Maddie Bull - Year 10

PARENT FORUM November 24th 2022 Adelaide

You are invited to a Parent Forum for parents and carers of children and young people with disability.

The forum will include a Keynote by Helen Connolly, Commissioner for Children and Young People.

Followed by further discussions centred on Parent Engagement; allowing participants to contribute ideas to the SERU Parent Engagement project, which aims to provide advice and support for preschools and schools in their engagement with families.

After lunch will be small breakout sessions on Transition. Three concurrent presentations will be available on:

- Transition from Kindy
- Transition from year 6 to High school
- Post School Transition

The forum will provide a safe and supportive environment to share your experience, obtain information and helpful strategies as well as providing the opportunity to have your questions answered. Along with the SERU staff and Inclusive Practice team, Rhoni McFarlane, Director Inclusive Teaching & Learning, will once again be available throughout the day.

This workshop is for a limited number of parents and carers and will be held maintaining current COVID 19 guidelines.

WHEN: Thursday 24th November 2022
9:30 am – 9:45 am Register/tea/coffee

Tanunda Netball Club – Senior 1 and 2 Coach Vacancy

Tanunda Netball Club plays in the Barossa Light & Gawler Netball Association, with a Club history spanning over 60 years. Our Club Mission is to develop players of all levels, our umpires and coaches by focussing on skills development, promoting good sportsmanship, teamwork and demonstrating ethical and committed behaviours from all of our members. We value our members, sponsors, supporters and community.

We are seeking an enthusiastic, netball knowledgeable individuals who would love to come and be part of our Club.

Preseason training commences Mid-January with the season starting in April and goes to the end of September for Finals. Financial reimbursement will be an additional incentive for you to take on this rewarding role.

The Senior 1 and 2 coaches would:

- Develop in conjunction with players, team goals for the season.
- Through practice, enhance and develop the players' skills, fitness and mental application to the sport.
- Through personal communication, encourage and support the players.

Attend any relevant Coaching course where applicable.

For any enquiries or to submit your application please email: tanundanetball@bigpond.com

Kind Regards

Linda Morgan
