### Principal update

#### Celebrating Our Achievements and Looking Ahead: News from the School Community

As we kick off another term, it is wonderful to see the continued dedication and enthusiasm of our school community. I would like to highlight some of the exciting developments and achievements that are making our school an even better place for everyone.

#### Respect and Talent on Display at Friday Week 1 Assembly

Our recent assembly was a great success, with students demonstrating exceptional respect towards the music performers and presenters. It was heartening to see the audience so engaged and supportive. These assemblies are not only a platform for showcasing talent but also for fostering a strong sense of community and pride within our school.

During the assembly, we also learned more about our esteemed Wine and Vine Program. A recently released video on the Wine Australia website features our school's program, highlighting its national reach and the outstanding work our students are doing. This program is a testament to how following one's passions can lead to remarkable achievements. The students involved embody a deep passion for the wine industry, and their dedication is truly inspiring.

#### Guiding Students Through Subject Selection

I spoke to students about the subject selection process, emphasizing the importance of understanding their talents and passions as a first step in considering post-school pathways. Programs like Wine and Vine illustrate how aligning educational choices with personal interests can pave the way for future success.

#### Upcoming Facility Improvements

In Term 4, we will be upgrading the memorial toilets, marking the beginning of several improvements planned for this term and into 2025. These new facilities will enhance the overall environment and ensure our school remains a comfortable and welcoming place for all. However, I have met with most year levels to explain that if significant damage occurs to these toilets between now and the end of Term 3, we may need to consider closing them until the upgrade is complete. It is crucial that we focus our resources on improvements that add value to students and their learning.

#### Proactive Use of School Funds for Student Activities

An excellent example of proactive use of school funds occurred at the end of Term 2, following feedback from Year 7 and 8 assemblies. Students expressed a need for more equipment and activities during recess and lunch. Thanks to funds from the Student Representative Council (SRC), each home group in Years 7 and 8 now has sports equipment available for use during lunchtime. This initiative has been well-received and has significantly enhanced student engagement and activity during breaks.

#### Expanding Extracurricular Opportunities

We are also renewing our focus on publicizing existing clubs and exploring new ones for students to join. Extracurricular activities are a vital part of the school experience, offering students opportunities to develop new skills, make friends, and pursue their interests. We encourage all students to get involved and make the most of these opportunities.

Thank you for your continued support and involvement in our school community. Together, we are making strides towards creating an even better environment for our students to learn, grow, and thrive.

## SRC REPORT

Welcome back to term 3 everyone!

The whole school assembly in week 1 was a big success, with the concert band playing The Simpsons theme song to kick start the assembly and they finished off with a John Williams medley. The audience were treated to a special solo performance from year 11 student, Chayse Larson, who performed, Chasing Cars by Snow Patrol. We also had presentations from the Wellbeing Team, Mr. Page and the video which showcased our wine program was shown. Thank you to all who presented and performed on the day.

Our Week 2 Casual Day was a great success, with 171 loavess of garlic bread sold. Thank you to everyone who donated and pre-purchased garlic bread from us.

In Week 3, the SRC launched the new student service announcement project, with our two secretaries hosting. This will consist of weekly announcements for students to listen to every Tuesday morning during Homegroup.

On the 14<sup>th</sup> of August, the Career Expo was hosted in the stadium for all years to participate in. This was a great opportunity for students to come and explore potential career pathways, which conveniently compliments the course counselling process which is happening now. A reminder to all students to chat with their Homegroup and subject teachers about their subject selections for next year.

Week 4 has been 'Bullying No Way' week, where students had the opportunity to participate in a large range of activities during lunchtimes. The poster competition that details the process for reporting bullying through the new student hub was another initiative of this week, we look forward to seeing the winning designs around the school. Thank you to Mrs. West for leading this and for the teachers and students who volunteered their time.

For more updates, you can follow the SRC Instagram page (@nurihighsrc). Also, keep an eye on the student bulletin or listen for the announcements on Tuesday mornings.

## FINANCE REPORT

### MATERIAL & SERVICES CHARGES 2024

Are you time poor with work, family, general life commitments, we are here to help support families as best we can. Did you know that you can do banking direct deposit for payments of M&S Charges, Invoice payments and excursions can be deposited direct to our bank account;

**BSB: 105-055**

**ACCOUNT NUMBER: 233809740**

**FAMILY ID: e.g. LEGG14 (this is on the left hand side of invoice)**

Please use the family code when making payments as this helps us to identify who this is applied against and include what payment is for. You are able to send a copy of the deposit to: [dl.0788.finance@schools.sa.edu.au](mailto:dl.0788.finance@schools.sa.edu.au)

### INSTALMENT PLANS

We also offer families the chance to pay off fees via payment instalment plans. Please contact the Finance Office for us to support you with this.

### SCHOOL CARD ASSISTANCE

School Card Applications are now overdue. If you think you may be eligible for School Card please complete the online application form at the link below ASAP.

<http://www.sa.gov.au/education/schoolcard>

School Card is available in government schools to:

- Families with children aged 4 years and over who attend a school full time
- Independent full time students studying year 10, 11 or 12
- Adult re-entry students undertaking subjects to complete their SACE

To qualify, your family's gross income in the 2022/23 financial year must be below the threshold, based on the number of dependent children you have in your family.

School Card covers \$379 of the Materials & Services Charge. The additional \$131 of Material & Services Charge will be waived if School Card is approved. Families must apply for School Card annually.

Don't leave these financial matters too late. As per the Nuriootpa High School Debt Collection Policy, all outstanding charges for 2024 will be sent to the Recoveries Unit at the Attorney General Office.

We thank all the families that have already attended to the above payments, these help our students to undertake the fundamental elements of their educational programs.

### Now is the time to claim ABSTUDY for your high school child

ABSTUDY is a group of payments for Aboriginal and Torres Strait Islander Australians. ABSTUDY helps with the costs of studying or doing an Australian Apprenticeship.

It can help with your child's school fees, boarding costs, travel to and from school and other school items. If your child's travel is impacted by COVID-19 or they need to study remotely, ABSTUDY can also help.

If you're a parent or guardian and your child is younger than 16, you should claim on their behalf. If your child is 16 and over, or independent, they can claim themselves. To claim, call the Services Australia's ABSTUDY line on Freecall 1800 132 317.

If they're starting uni or TAFE, they'll be able to claim online through myGov.

Claiming before 1 December means ABSTUDY payments can be finalised in time for the start of school next year. This is very important if your child needs to move away from home to study.

To see what you or your child can get, and learn how to claim, go to [servicesaustralia.gov.au/abstudy](https://servicesaustralia.gov.au/abstudy)

## CAREERS AND CURRICULUM EXPO

Thirty two Exhibitors joined us on this day to showcase employment and training opportunities available in our local community and beyond.

Students from across the school came to meet and discuss options for their future pathways, whether that is via further education or direct transition into employment.

Feedback from Students, Families and Exhibitors was very positive.

Thank you to all the businesses and organisations who came along to share information and offer advice to those students and families who attended.

## YEAR 12 ESCAPE HUNT

On Friday of Week 9 last term, our Year 12s set off to Adelaide for our first Year 12 Activities Day. The students have been unfortunate to miss out on previous school camps due to COVID-restrictions starting in 2020. However, we felt it was important that students had the opportunity to spend time with each other outside the classroom and complete some team building activities that they would have on camp. The activities day was also to celebrate the students completing their first semester of Year 12 and their AIF components of their SACE.

Year 12 Homegroup teacher Mr Welford and Year 12 coordinator Mr Sheridan drove the buses to the city, where students were able to explore the Adelaide Central Markets before dividing up into teams at the Adventure Rooms and Escape Hunt Rooms in Rundle Mall. Students worked together to problem solve their way out of a variety of fun and interactive scenarios. They then finished the day with some lunch in Rundle Mall before returning on the bus back to school.

It was a great day, seeing the students spend time with each other and their homegroup teachers and they were all excellent representatives of Nuriootpa High School. We are so proud of how well they all worked together!

## SPORTS REPORT - SNOW TRIP

An absolute blast was had by the 44 students who attended the Nuriootpa High Falls Creek 2024 Snow Trip in Week 1 of school holidays. Students gained some amazing memories, made new friendships and had once in a lifetime experiences. Our accommodation was once again at Howman's Gap and we thank them for their on-going hospitality. We were lucky enough to experience night skiing/boarding and had the best time under lights. Thank you to staff members Ms Ella Mickan, Mr Brad West, Mr Bradley Sheridan and Ms George Pfitzner for their outstanding organisation and leadership on the trip. We are already excited and planning for the 2025 Snow Trip.

## NHS HONEY FOR SALE

The Beekeeping Club at Nuriootpa High School is an extracurricular club focussed on teaching various aspects of beekeeping, honey production and basic woodworking skills during Terms 1 and 4 each year.

The School Blue gums have been busy flowering over spring and summer, and the school bees have been hard at work producing a surplus of honey. Beekeeping Club students were excited to be able to extract approximately 75kg of honey last week, and are now ready to sell it!

Head into the Finance Office if you are keen for some local raw honey, produced right here at Nuriootpa High School.

To improve sustainability and promote a circular economy, students have decided to now sell the honey 1kg jars. Initial price of \$16 per kg, but upon returning a clean honey jar you will receive a \$1 discount on your next honey purchase!

## WOODWIND ENSEMBLE PERFORMANCE

Musicians from Years 9-12, Kaiser Gladigau, Sophie Cooper, Abbey Mattner, Sophie Schutz, Riley Parham, Sophie Etscheid, Mary Johnson and Marrack Searle, with Ensemble Director Sonia Samain were invited to perform at the annual Tanunda Liedertafel Winter Concert at the end of Term 2. They performed two songs which were positively and joyfully received. They were Leonard Cohen's Hallelujah and the one hit wonder, 99 Luftballons.

It was a great opportunity to perform for a paying audience and connect with performers from across Adelaide. The Tanunda Liedertafel donates one of the Year 12 music prizes at Nuriootpa High School.

## YOUNG AMBASSADOR STATE FINALS

On Friday, the 12th of July, I went to the Royal Adelaide Showgrounds to attend the Young Rural Ambassador event. This was an event where the ambassador winners from different areas of SA Country Shows gathered.

We started the day with an introduction from Jacqueline, who is the Rural Ambassador Coordinator. As association winners, we were presented with RM Williams polo shirts made for the Ambassadors, listing the valued sponsors of the event. This was followed by a rooftop tour of the Showgrounds.

The next session was with Annabelle Homer from the ABC, who conducted a public speaking workshop with us. We then spent time with the Next Gen group, who were also at the Showgrounds as part of the SA Country Shows Symposium being held that day. We practiced with them the skills we had learned from Annabelle.

After lunch, the participants began the interview judging to determine who would be awarded the state ambassador title. We were asked about ourselves, our community involvement, our involvement with country shows, our future goals, and general agricultural questions. Throughout the day, we were also judged on our general manners and behaviour.

Once all the interviews were completed, we left the Showgrounds and headed to the Adelaide Royal Coach Hotel for the youth dinner. Attendees included people from the country shows, judges, sponsors, special guests, and family and friends. Miss Hoffmann was also one of the invited guests, and it was great to have her there.

We took photos, and during the dinner, awards were given to youth members recognised for their junior judging and handling at the Royal Adelaide Show in 2023, who were going to represent SA in Melbourne. This was followed by the Young Rural Ambassador State award, which involved all the Ambassadors speaking in front of everyone while we conducted interviews with Annabelle Homer.

Although I didn't win the grand state prize, I feel very privileged to have been awarded the Northern Agricultural Award. I really enjoyed the time spent at the Showgrounds, learned a lot, and am very grateful for the amazing opportunity.

Country shows are great events showcasing many areas of agriculture, community talents, and entertainment. Definitely attend them if you can!

## YEAR 9 ALBERTO GIACOMETTI SCULPTURES

In semester 1, Mr. Hall's Year 9 Sculpture & Printmaking class investigated the work of artist Alberto Giacometti. Students created their own responses to his work, representing movement through elongated figurative sculptures.

## YEAR 10 CUBISM INSPIRED STILL LIFE

This term, Pre-service teacher Ms. Kerin has joined Mr. Hall's Year 10 Drawing and Painting class. Students have been investigating the Cubism art movement under her guidance. They have been exposed to a range of drawing exercises that relate to the movement. Images below show the working photographs of fragmented still life artworks that have been completed in class. We want to thank Ms. Kerin for the work she has done, the students have enjoyed having her in the class.

## RESTORATIVE PRACTICES MURAL

As part of the “National week of action against violence and bullying”, Nuriootpa High School has been successful in receiving a \$15,000 ‘Safe School Spaces Grant’ provided by the Department for Education. The safe spaces project that Nuriootpa High School will undertake is engaging our Year 9 and 10 students with a professional artist to design and reflect on Restorative Practice themes, values and intentions to improve the courtyard as a safe space and support belonging within our Year 9/10 cohort.

The Restorative Practice Mural will begin with conversations and workshops with our Year 9 and 10 students around strategies which are used to restore positive relationships and solve interpersonal issues. From these small workshops, students will have the opportunity to work with a professional artist in developing the imagery for our large school mural. The work our Year 9 and 10 students will do on this project will then provide a foundation to mentor and support the younger year levels in using restorative practices through the use of student voice. The aim of the mural is to provide these visual reminders to the whole school community.

Further to this mural, additional signage in play areas and spaces around the school with Restorative Practice themes and steps for supporting peer-peer relationships and repairing harm is also an aim of this project.

The Year 9 and 10 Team are excited to begin this important work on equipping students with dialogue - driven restorative responses in an engaging and colourful way whilst supporting the creativity of our students. We are excited to update the school community throughout the year as our project progresses.

## Bullying No Way National week of action

12-16 August 2024

### **Bullying No Way: National week of action** **Important conversations to have with your child**

During Week 4, Nuriootpa High School participated in the Bullying No Way: National week of action – 12 to 16 August 2024.

By working collaboratively within our community, we can collectively help reduce bullying.

Bullying No Way Week is a commitment being made by thousands of schools and supporters across the country. It provides an opportunity to demonstrate our commitment to bullying prevention.

The theme for this year's campaign is **Everyone Belongs**. This theme highlights the importance of creating a sense of belonging and inclusion for students. We recognise bullying often thrives in environments where individuals feel marginalised or excluded, and it is our collective responsibility to ensure that every student feels valued and respected.

During the week students engaged in meaningful discussions and activities aimed at promoting empathy, understanding, and respect for diversity. We encourage parents and carers to take this opportunity to have open and honest conversations with their children about the impact of bullying and what they can do if they need support. You can visit the [Bullying No Way website](https://bullyingnoway.gov.au) for tips around how to have this discussion.

#### **Parents and carers play an important role in helping your child understand bullying, and know how to respond to it.**

If your child tells you about things at school, or you observe something in public that involves conflict or bullying, take the opportunity to talk about what bullying is. You can learn more about what defines bullying at [bullyingnoway.gov.au](https://bullyingnoway.gov.au).

Questions you could ask:

- What do you think bullying is?
- Have you seen it? How did you feel?
- Have you ever felt scared at school because of bullying?
- As well as me, who are the other adults you would talk to when it comes to things like bullying?
- Have you or your friends left other kids out on purpose? Do you think that was bullying? Why or why not?
- Have you ever tried to help someone who is being bullied? What happened? What would you do if it happens again?

Remind your child that bullying is never okay and discuss how they can respond safely if they experience or witness it.

Encourage them to seek help from a trusted adult and keep seeking support if needed.

By promoting open communication, we empower children to stand up against bullying and create a safer environment where everyone can feel that they belong.

For more information, visit [bullyingnoway.gov.au](https://bullyingnoway.gov.au).

## MEET JACK

Jack loves Star Wars, soccer and AC/DC, and aspires to be a rock star himself one day.

Diagnosed with various medical conditions from a very young age, Jack found it difficult to move and see, making daily tasks and communicating challenging.

Through an \$80,000 grant, Jack travelled to the US with his family, for life changing surgery.

Jack is now able to walk independently, and happily plays soccer with his friends.

## MEET LEILANI

Leilani loves to dance and act, and dreams of becoming a movie star. Her career goal is to work full-time in the performing arts industry.

Receiving a Variety Heart Scholarship of \$5,000 has supported her existing talent in dance, and helped cover tuition, travel, dancewear and costume costs.

Leilani has successfully competed in national dancing competitions, and been a cast member in a musical.

## What we do

We help kids when others can't by supporting kids and their families who are facing many challenges through sickness, disadvantage or living with disability.

- We help kids with their mobility, communication and social skills - increasing self-esteem, and getting them out and about to enjoy the freedom of being a kid.
- We make sure the kids who miss out, can always join in.
- We believe all kids deserve a fair go.

"Our experience with Variety SA has been nothing short of incredible. The help our family has received is overwhelming, and we thank them from the bottom of our hearts."
