From the Principal

David Marino

Welcome to our first School Newsletter for Nuriootpa High School in 2025. I'm pleased to join as Principal this year. Working with students, staff and parents/caregivers, my first impressions of our school are highly positive. I'd like to work in strong partnership with you to keep advancing the learning, opportunities and experiences of our young people.

A few beliefs I hold as a school leader are that **every young person** in our care:

- Deserves the best education and experiences possible.
- Has the right to feel **safe, respected** and **included** at our school.
- Should strive for their **personal best**, to learn and to grow.

Over the first few weeks, I've been impressed with the quality of learning programs across our school, one example being our SRC students informing our school community with their weekly report over our PA System, which includes fun facts.

PRINCIPAL'S REPORT CONTINUED

School Vision and Values

A focus of our work over 2025 is on re-thinking our School Vision, Values, sense of Purpose and Branding. This work has started with our Week 0 staff professional learning program and has included our Student Representative Council.

- Clarity, Consistency, Communication and Coherence
- Positive student recognitions and School Culture
- Policy and procedure review
- Growing engagement with our parents/caregivers and broader community

Site Learning Plan 2025

This year we are focusing on three main areas from the **Purpose for Public Education strategy**:

Effective learners

- Positive behaviours for learning
- Ethical use of AI in learning

Equity and Excellence

- Inclusivity and flexibility across learning opportunities

Wellbeing

- Growing students' connectedness and belonging with school

Positive Behaviours for Learning (PBL)

Positive Behaviours for Learning is a whole-school approach to behaviour expectations and responses that focuses on promoting behaviours conducive to learning.

Trauma-informed practice, such as the Berry Street Education Model (BSEM) indicates that having a **safe and predictable** school environment is paramount to student learning and achievement. We have prioritised this as our immediate work for the start of this year.

Our Respectful Behaviour Procedure has been updated and uploaded on the school website, see a link on our [school website](#). This update has occurred with a review and also engaging a Behaviour Coach from Support Services, DfE. We look forward to engaging our student and parent/caregiver community further as we roll-out PBL.

Building-up our School

A number of significant building and infrastructure projects are planned, ready to start or underway. Significant works slated for this year include:

- Basketball courts major upgrade and resurface
- Memorial Hall Toilet block demolition and individual cubicle re-build
- New staff car-park to minimise congestion

I would like to acknowledge the work of Mr Brent Bloffwitch and Ms Ann-Marie Ward around this.

Congratulations Richard Clarridge

Congratulations to Richard Clarridge, who has recently been recognised for over 40 years of service to Education in Public Schooling. This is a great achievement – congratulations!

Working Together

I look forward to working in partnership with you, our Governing Council, as well as our broader community to advance our school and provide a high-quality educational experience for students.

Regards
David Marino

Overview of SRC

The SRC is compiled of elected students from each year level. Years 8-12 form a homegroup which is supported by 2 teachers (Mr. Hall & Mrs. Tsakiris in 2025). Students nominate and are voted in by their specific year levels. Five year 7's will be included in the SRC in term 2, with nominations occurring towards the end of Term 1. The SRC meet once a week (Tuesday lunchtime), with formal and action meetings. Here we discuss key information that provides student voice to the school. We also plan and implement many initiatives such as: fundraising, assistance to the school through volunteering and provide student insight into key decisions being made by the school.

Casual Days

As SRC, our key fundraisers for the year are our casual days. We traditionally hold 2 casual days a term where we raise funds for internal projects and external organisations. Information about casual days will be posted on the student bulletin and the school's social media.

Sports Day

One of our first main projects this year is providing the food options for Sports Day. Food vans have been booked and will provide the food options for sports day. The food and beverage options for the day are: Vietnamese Food On The Go, Nik's Gourmet Kitchen, Babs Greek BBQ, Barossa Valley Ice-cream, Sassy Brews Coffee Van and SRC Sausage Sizzle & Drinks.

Looking at the Year Ahead

In our future meetings, we will work through our priorities that were developed on camp and set goals for 2025. We will continue our PSA system and keep expanding our public speaking skills. We are excited to see the shades/shelters being installed on the northern oval. We will set goals and work on improving the school experiences for students at Nuri High. Students should keep an eye on the bulletin for any information and updates from the SRC. Here's to a great 2025 for all of the Nuri High Community.

YEAR 12 CELEBRATION ASSEMBLY

Jordan Krozka—Managing Director of Barossa Accounting and Tax, accepting the Merit Achievement Award on behalf of Blake Walker

On Wednesday, February 13th, all students at Nuriootpa High School attended the Celebration Assembly in the Stadium. The event was hosted by Abbey Mattner and Mikayla Litchfield, with Connor Bawden managing the technology behind the scenes. These students did an excellent job, ensuring the assembly flowed seamlessly.

The assembly featured an address from our Principal, Mr. David Marino, followed by the presentation of the 2025 SRC students and the 2025 House Captains.

We were also excited to welcome back some of our 2024 students to receive recognition for their outstanding achievements. These included an A+ grade for a Stage 2 subject, a Merit Achievement in a Stage 2 subject, an ATAR score in the school's top 10, and/or the Dux and Runner-Up Dux awards.

Although our 2024 Dux, Blake Walker, was interstate and unable to attend, he sent a speech to be read by Mr. Sheridan on his behalf. A key message in his speech was a heartfelt thanks to his teachers, not only from Year 12 but throughout his entire schooling journey.

In addition, we were fortunate to have Kiara Schmidt, our Runner-Up Dux, and Maxwell Schutz, who achieved a top 10 ATAR score, share a speech with advice for current students and reflect on their memorable moments at Nuriootpa High School, particularly in Year 12. A key takeaway from their speech was the importance of balancing life and study—a vital lesson for Year 12 students.

All the speakers delivered their messages superbly, and the event was brilliantly organized by Mrs. Deborah Robertson and Miss Ella Mickan, with the SRC hosting under the supervision of Mrs. Jessica Tsakiris.

It was wonderful to see how engaged our students were during the assembly despite the heat. It was equally heart warming to have several parents from the Class of 2024 join us to celebrate their students' achievements.

Thanks
Bradley Sheridan

Leader

YEAR 12 REPORT

The last 'first week' of school for our year 12's kicked off with our senior students settling into their new Homegroups in the Open Space. Much of the day was spent discussing expectations and the exciting events planned throughout the year. Students also met with our Wellbeing team to hear about how they can continue to be supported this year, as well as discussing the importance of finding healthy balance.

Past students, Maddie Bull & Travis Varcoe, sat down for a Q&A, lead by Mr Sheridan, about their final year at Nuriootpa High school. Shaylie Pollack and Zane Gerlach also sent through their own experiences, though couldn't be present on the day, to share some words of wisdom and 'tips' for our new year 12s.

The day was broken up with the first competitive house activity, Tug of War, lead by Mr West and accompanied by Mr Lane. Giving our House Captains an opportunity to practice their leadership skills, the teams participated with great enthusiasm. Sturt came out the victor but everyone is a winner when a free BBQ is on the cards.

One of the main highlights of the week was seeing our Year 12 students and new Year 7 students participate in some joint activities that had them share their thoughts and experiences at high school.

Friday saw our senior students participate in the Elevate program which provided them with some excellent strategies and approaches to keeping on top of their study loads throughout the year.

While the week was short, there was plenty happening. We were pleased with the engagement and enthusiasm of our new Year 12s. A big thank you to our home group teachers, speakers, Mr West & Mr Lane, BBQ master chefs and others, who played a vital part in supporting our students in Week 1.

Year 12 Manager

CELEBRATING EXCELLENCE AT NHS

On Thursday, February 13th, three of our outstanding students were honoured with SACE Merits for their dedication and achievements in their studies!

Kiara – Material Solutions
Lilly – Integrated Learning (Sports Studies)
Oscar – Agricultural Productions

Their hard work, perseverance, and passion for learning have led to this incredible recognition. Here's what they had to say about their achievements:

"The countless hours of dedication and effort I have invested in my Woodwork project have culminated in this remarkable achievement, made possible by the support of my tech teacher, Mr. Kahl." – Kiara

"Achieving an A+ merit in AG in Year 12 was an incredible feeling, as it reflected all the hard work and dedication I put into my studies. It not only boosted my confidence but also motivated me to aim even higher in my future academic pursuits." – Oscar

Unfortunately, due to the weather, Wednesday's ceremony was cancelled. However, we would also like to recognise the achievements of Alice (Integrated Learning – Sports Studies), Jayden (Activating Identities and Futures), and Shaylie (Psychology) for earning SACE Merits in their respective subjects.

Your hard work and dedication have truly paid off!

We are so proud of all our merit recipients—your success is a testament to the dedication of our students and the incredible support from our teachers.

Well done! #NHSProud #SACEMerit #HardWorkPaysOff #FutureLeaders

NEW IEC SPORTS UNIFORMS

Last year using a Credit Union – School Impact Project Grant the IEC were able to design and purchase a set of reversible Guernseys.

The artwork featured in the design was produced by our Art Masters class in conjunction with Arlon Hall and artist Hari Koutlakis.

These tops will be worn with pride when we represent NHS in a range of sporting events during the year including 10 Pin Bowling, Soccer, AFL and Basketball.

YANA - YOU ARE NOT ALONE

For several years now, Nuriootpa High School has run a club where the sole focus has been building relationships and creating a safe space for those who need it. This club has had a range of different names, but for the last few years it has been known as YANA (You are not alone). Over the last 12 months we have seen YANA grow exponentially and because of this we have been able to run some really cool activities and celebrate some important days which have been chosen by the students. This year we are continuing this trend of growing and celebrating and cannot wait to share some of the fun and exciting things we have planned and upcoming.

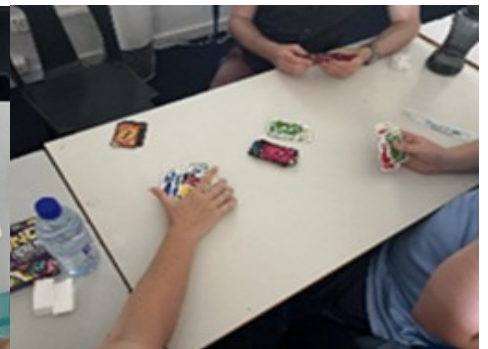

Week 2 at YANA, we had the perfect mix of creativity, fun, and sweet treats to help us stay cool in the summer heat! With bracelet making, fairy bread, Zooper Doopers, and some intense Uno challenges, it was a lunchtime filled with laughter and friendly competition.

MUSIC REPORT

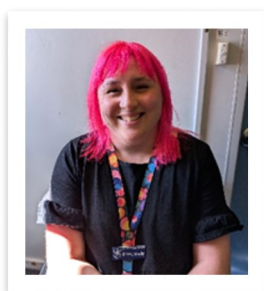

Welcome to the Nuriootpa HS Music Department for 2025! This is a very special place – we are one of 19 Music Focus Schools across our state of South Australia. This is a very busy place too. We have 130+ musicians learning their instrument, receiving an instrumental music lesson on various days of the week. These students also play in various ensembles; rehearse regularly and will perform to a variety of audiences throughout the year. These gigs include, Wine Launch, assemblies, class assessments and lots of other concerts around our region.

Classroom music teachers are Noah Tilley and Bronwen Murphy. These music teachers are complemented by a team of Instrumental Music Teachers. These teachers teach here one day a week and at other Primary and Secondary Schools across the Barossa region and northern suburbs.

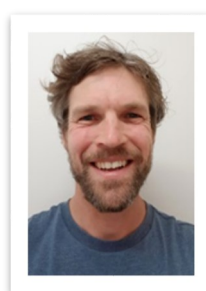

Jacob Staehr - Brass; Chris Yeend - Percussion; Tim Hogan - Guitar; Karen Paterson - Keyboard/Piano;

Our ensembles, which include the Concert Band, Woodwind Ensemble, Guitar and Percussion ensembles, hope to 'hit the road' again in 2025 and tour to various schools in our region to play concerts. We look forward to visiting these schools; to not only to showcase the students' gifts and talents but to also promote music at Nuri HS. We are aiming to make the locals be aware that NHS is the place to be if you are into music and want to learn an instrument – to make our school a thriving hub of musical growth.

We will look forward to touring this year as well performing many times throughout the year. The annual Combined Barossa Valley Primary Schools Concert Band workshop ("Combo") will also be on again in term 4 too. Here, our musicians will get a chance to mentor primary school musicians that are learning in our primary programs.

Here's to a great year of music making!

SPORT REPORT

We have had a busy start to the sporting term, with 3 X teams of cricket scheduled to play in weeks 4 and 6. The Years 9/10 Girls will play Clare and Adelaide High and the 11/12 Boys will play Henley High School on Monday of Week 5. Good luck to all the teams involved.

Throughout Weeks 3 and 4, students have had the opportunity to nominate for the SA Secondary Swimming Championships which will take place on Monday 24 February—Week 5, at the SA Aquatic and Leisure Centre in Oaklands Park, as well as the Individual Golf Championships held in Week 6 in multiple locations. Please see Mr West if still wanting to nominate or require further information.

One of the highlights of the year, sports Day, will be held on Friday 14 March—Week 7 (see programme and map attached towards the end of the newsletter). Students will compete in their respective Houses in Track and Field Events, as well as some fun Novelty Events for points to achieve both individual trophies and overall House Champions. Light (Yellow), were crowned champions in 2022, 2023 and 2024, with only Angas and Murray yet to take out the coveted House Shield since its introduction in 2018. From individual Sports Day results, a Track and Field Team will be selected and these students will compete at the Secondary Schools Athletics Championships at SA Athletics Stadium, Mile End on Wednesday 9 April—Week 11.

The following school Sport competitions will begin in late Term 1 and continue into Term 2:

Year 7/8 Boys Football	Year 7/8 Boys and Girls Basketball
Year 9/10 Boys Football	Year 11/12 Boys and Girls Basketball
Year 11/12 Boys Football	Year 7/8 Boys and Girls Soccer
Year 7-9 Girls Football	Year 11/12 Boys and Girls Soccer

Year 7/8 Girls Netball	Year 10-12 Mixed Hockey
Year 9/10 Girls Netball	Year 7-9 Mixed Hockey
Year 11/12 Girls Netball	

Terms 3 and 4 will bring additional draws to specific year levels including Basketball, Soccer, Tennis and Cricket.

If a student considers themselves to be at a state level in any sport, then they can nominate to go to state trials, which are generally on weekends. Students are to see Mr. West for instructions on how to enter or alternatively students and parents/caregivers can visit:
