PRINCIPAL'S REPORT CONTINUED

Congratulations to **Coulthard House** on taking out the School Shield for Sports Day 2025. Well done to all other School Houses and individual students on your efforts, collegiality and participation in what was an excellent day for our school. Also an acknowledgement of all the staff who went above and beyond to make the event a resounding success and all of the Parents/Caregivers and family members who attended the day and contributed to a great atmosphere for our students and school.

School Vision and Purpose

A focus of our work over 2025 is on re-thinking our School Vision and sense of Purpose. This work started in Week 0 with our staff professional learning program and has since included two workshops with our Student Representative Council. Thank you to our SRC who have volunteered a number of break times to contribute very thoughtful and meaningful ideas for our school. We will provide further opportunities for our Parents/Caregivers, Governing Council and students to contribute further input.

Governing Council and Parent/Caregiver Committees

Over the second part of Term 1, there has been a high level of Parent/Caregiver engagement with our school, through various committees. Some of these include:

- Governing Council Annual General Meeting and first meeting of the new council. Congratulations to all Governing Council members elected for 2025.
- Grounds and Facilities Committee meeting.
- Finance Committee meeting.
- Angaston Agricultural Bureau Meeting hosted at Nuriootpa High School.

Another special mention to Gary Pentland, who recently passed away and has been a key contributor to Nuriootpa High School and our Governing Council over many years. Our thoughts are with Gary's family at this time.

Grounds and Facilities Committee

The Grounds and Facilities Committee are working through a number of items to enhance safety and learning experiences at our school. A few items we discussed include:

PRINCIPAL'S REPORT CONTINUED

- Student Toilet block upgrades, commissioned in 2024 with expected completion and handover by the start of Term 3.
- Staff Car Park upgrade is currently in the planning phase.
- Traffic Safety for students: plans, actions and follow up.
- School Master-planning for future growth.
- The idea of school fencing, to increase safety across the school.

Professional Development

We started our Restorative Practices journey with a specialised training day for staff on our recent Pupil Free Day on 7 March. Restorative Practices is an evidence-based approach to conflict resolution and empowers students, staff and parents/caregivers with skills to guide young people through navigating and resolving conflict in a safe, peaceful and lasting way. Hosted by Kerrie Sellen, a world-leading expert in Restorative Practices, we are rolling out further workshops throughout the year for staff, students and parents/caregivers who wish to be involved.

Site Learning Plan 2025

Our focus for our Site Learning Plan in 2025 (formerly School Improvement Plan) is aligned with the **Purpose for Public Education strategy** across three Areas of Impact:

Effective Learners

- Positive Behaviours for Learning
- Ethical use of AI in learning

Equity and Excellence

- Inclusivity and flexibility across learning opportunities

Wellbeing

- Growing students' connectedness and belonging with school

Positive Behaviours for Learning (PBL)

Positive Behaviours for Learning is a consistent approach to reward positive behaviours that enhance learning and addresses negative behaviours. It fosters a safe, supportive and conducive learning environment. We are in our first year of introducing this school-wide approach and taking actions to plan how we can enhance our learning systems and environment at Nuriootpa High School.

Mobile Phones

We are exploring ways to further enhance our Mobile Phone Policy, prioritise focus on learning and reducing distractions, in line with the state-wide ban of Mobile Phones for public schools.

We are exploring the opportunity of Yondr Pouches, which help to keep phones safely stored away during the school day and reduce the distraction / temptation for students' to access these without prior permission.

- Over 30 schools are using this successfully in South Australia.
- We are exploring this further, hearing from and working with stakeholders across our school to see how this could help students focus more on learning and reduce distractions.

PRINCIPAL'S REPORT CONTINUED

We are also looking to phase-out student payment by Mobile Phones at school, providing a take up time over Term 2 for families to organise alternative payment methods for students such as bank card, cash and Spriggy application (for the School Canteen). We appreciate your partnership around this, as we look to strengthen and build on the positive work already undertaken around Mobile Phones.

School Holidays

As we near the end of Term 1, there is much to acknowledge and celebrate in terms of student efforts and achievements. Well done to all of our students on your hard work, towards your individual aspirations and goals. Have a safe and productive School Holiday period.

I look forward to working in partnership with you and our broader community in Term 2.

Regards
David Marino

SRC REPORT

As part of the school's work on the Strategic Vision, Mr. Marino generously gave his time to the SRC to come in for a meeting. He gave us all a set of tasks that were to help improve the school, and it was overall a fun experience to be working in groups with the principal's input.

The Year 12s in SRC were invited by Ashton Hurn to attend a dinner at Parliament House in Adelaide on Wednesday, 5th of March. It was very exciting for the Year 12s who were treated to a three-course meal with Ashton and shown around the South Australian Parliament House. They all had fun and even got to sit and watch a session of parliament.

Sports Day was unfortunately postponed and was held on Friday of Week 8 instead. Though this happened, Sports Day was still a great success. Congratulations to Coulthard for winning this year's Sports Day! Congratulations to everybody who went to Sports Day and competed in events. A big thank you also to all the staff involved in Sports Day, the SRC who ran the sausage sizzle and the food trucks that came in.

A reminder about the Suggestion Box and the Incident Report Form on Daymap. Remember that you must login on your internet browser with your student email to access the Suggestion Box and Report Form. You can access these by clicking on the "My Daymap" tab.

TEN PIN BOWLING EXCURSION

The IEC recently participated in the "School Sports SA – Ten Pin Bowling" event at Elizabeth Bowland. In the past, we have usually participated in the Aussie Rules Football and Basketball events, so this was something a bit different! It was great to see the students enjoying the day and having so much fun. We have some amazing bowlers who achieved fantastic scores.

Well done IEC Team - we can't wait to see it happen again next year!

HARMONY DAY REPORT

On Friday of Week 8, Nuriootpa High School came together to celebrate Harmony Day in a vibrant and meaningful way, combining the spirit of unity with the excitement of the annual Sports Day carnival. It was an amazing day in which students from different coloured teams competed against each other for glory, but came together to support, include, encourage and welcome each other in the community.

As part of the festivities, the YANA (You Are Not Alone) club played a pivotal role in promoting the message of inclusivity. They shared refreshing orange slices and delightful orange-themed fairy bread with students, staff and the IEC, symbolising harmony and belonging. The organisation of the "Secret Purple Team" was a great success. Several senior students took the opportunity to run the "Rodda" team and used it to share the message of harmony day. Purple ribbons and pink badges were handed out to visitors as a symbol of support for diversity and inclusivity, encouraging everyone to stand together in promoting a respectful and accepting community.

One of the key activities of the day invited students to actively contribute to a collaborative art piece, using their fingerprints to create a visual representation of an inclusive community. This hands-on project allowed students to leave their unique mark, symbolizing how every individual plays an essential role in building a supportive community and unified school culture.

This activity provided students with a meaningful opportunity to reflect on the importance of inclusivity, encouraging them to celebrate the diversity that makes their school community so special. The completed artwork stands as a lasting reminder of the collective effort to ensure that everyone feels valued and connected.

A heartfelt congratulations goes to the dedicated students of YANA, who have consistently devoted their Wednesday lunchtimes to thoughtfully plan and prepare initiatives that promote inclusivity and diversity within the school and broader community. Three of our amazing YANA students chose to make extra sweet pizzas in their Home Ec & Health class to share with the rest of the group on Wednesday. Thanks to Hailee, Yuna and Ezra they were delicious!

Nuriootpa High School's Harmony Day celebration was more than just an event; it was a heartfelt expression of unity, showcasing how small actions can create a significant impact when everyone works together. Through food, art, and participation, the day emphasised the message that at Nuriootpa High School, everyone belongs.

Thank you

ADELAIDE WRITERS' WEEK EXCURSION

On Friday the 28th March, 23 students from Years 10 through to Year 12, travelled into Adelaide to attend the Adelaide Writers' Week Schools Day. Young Adult authors, Tigest Grima, Amie Kaufman and Lili Wilkinson, featured as guest speakers, informing the students of the writing and publishing process, inspiring young minds to set a goal for themselves and celebrate each step in the journey of working towards it. After the talks, the authors signed books and took photographs with the students.

Year 12 student, Carter Wagland, thoroughly enjoyed the day with their peers and provided the following recount, "We were incredibly excited to hear from the authors and have a day out in the city. We first heard from Tigest Grima, who wrote the novel *Immortal Dark*. She gave us many useful tips on how to balance work and mental health, and she even signed some of the copies of her book we bought! We then enjoyed a break and some of us even stopped into Dymocks to buy ourselves some more books. (I will admit that I too am guilty of this).

Once we arrived back at Pioneer Women's Memorial Garden, it was then time for the other two authors Amie Kaufman, who wrote *Isle Of The Gods*, and Lili Wilkinson who wrote *Unhallowed Halls*. This time their talk centred around how to write things like magic into a story and make it sound interesting, exploring the use of tropes like gangs. And just like that it was over.

We hopped back on the bus, passed around juice boxes and read the books we bought on the way back. As a writer myself, I personally took a lot out of this experience, and I believe my peers felt the same!!" A big thank you to Mr Sheridan for driving the school bus.

ART EXCURSION

On Thursday 20th March Year 11 & 12 Visual Art & Design students travelled to Adelaide to visit several exhibitions. At the Art Gallery of South Australia they explored the permanent collection and found works that related to their Folio and Visual Study.

Students took the opportunity to learn and view a variety of work. They then visited the SACE Art Show, where they were able to view a selection of Year 12 works from 2024 students from around the state, including a sculpture by Remy Hughes a former Nuriootpa High student.

Students critically analysed and interpreted the themes, techniques, and historical contexts of selected pieces, enhancing their ability to articulate personal responses and insights. Through guided discussions and activities, students also gained insights into the role of art in society and its impact on cultural identity and heritage.

Students were accompanied by teachers; Mr. Hall, Ms. Johnson & Mrs. Simmons.

YEAR 9 SCIENCE ZOO EXCURSION

On Thursday 27th February, two Year 9 Science classes travelled to the zoo to apply their learning about ecosystems and animal adaptations. Students were able to explore the zoo in groups, and observe a variety of animal behaviour and enclosures. As part of the trip, students were required to observe and note specific animals, with a focus on their adaptations and to describe why certain animals have adaptations to help them survive in their natural environments. Students (and staff) had a great day out, enjoying the opportunity to apply their learning from class.

Thanks to Mr Bottrall, Mr Sheridan and Mrs Fryar for attending the excursion with the students.

PREMIER'S READING CHALLENGE

The Premier's Reading Challenge is a literacy engagement program that was introduced by the Premier in 2004 to: Encourage students to read more books and enjoy reading and to improve literacy levels.

The Challenge requires students collect a Challenge form from the Library. Read 12 books between the beginning of the school year and early September, recording title and author and handing in the form on or before the due date.

This year we are inviting students to complete the challenge and receive not only either their medal or certificate in November but also a lucky dip prize, provided by the Library.

OPEN BOYS TENNIS

Today the Nuriootpa High School Boys Tennis Team hosted both Faith Lutheran College and Eudunda Area School.

There were some close games played and high-quality tennis on display all day.

Nuriootpa High School took the wins against both teams and have made it through to the state final in week 10 at Peake Gardens Tennis Club later this term.

Congratulations boys!

YEAR 10/11 OUTDOOR EDUCATION

In week 6, students participated in an **Aquatics Day** at Pt Noarlunga and enjoyed activities such as kayaking and surfing. Our next adrenaline rush took place this week at Vertical Reality in the sport of **Rock Climbing**, where one's nerve at scaling heights was clearly put to the test! Well done to all participants and a BIG thank you to staff who supported these excursions - Mr Hall, Ms Hoffmann, Mr Fuss and Ms Pendleton!!

YEAR 10/11 OUTDOOR EDUCATION CONTINUED

YEAR 10/11 OUTDOOR EDUCATION CONTINUED

YEAR 9/10 BOYS CRICKET TEAM SHINES

The first game of the competition saw our team take on Eudunda Area School. Eudunda won the toss and chose to bat, but our opening bowlers, Lawson and Jaiden, got us off to a fantastic start by reducing Eudunda to 3/3. These early breakthroughs set the tone for the match, as we managed to restrict Eudunda to just 9/68 off their 20 overs. Nine bowlers were used, showcasing the depth and versatility of our team. We chased down the target in the 8th over without losing a wicket. Calum was in excellent form, scoring 52 not out off 37 balls, while Riley played a crucial supporting role in the partnership.

In our second match of the competition, we faced Faith. We won the toss and elected to bat but found ourselves in early trouble at 3/11 after 3 overs. A couple of solid partnerships between Jake and Hamish, followed by Jake and Connor (including two big sixes from Connor), helped stabilize the innings. We posted a competitive, though slightly under-par, score of 100 off our 20 overs. Faith started their chase well, reaching 43 before the first wicket fell. However, disciplined bowling from the Nuri High team kept the required run rate high. This proved to be the difference as we restricted Faith to 7/96 off their 20 overs, securing a thrilling 4-run victory. Zack was outstanding with the ball, taking 3/17 off 4 overs, and Riley bowled the final over to perfection, taking 2/13 from his 4.

The team has now advanced to the final, which will take place early in Term 4.

We would like to extend our thanks to the Nuriootpa Cricket Club and Parks for their support. Special thanks also go to senior students Will Alexander, Nick Richardson, and Archie Davies for their assistance and expertise in helping the team.

OPEN BOYS TENNIS STATE FINAL

Congratulations to the Nuriootpa High School Open Boys tennis team finishing 3rd in the state for division 2.

The tennis displayed all day was impressive and the boys played with great sportsmanship, a thank you to the parents for bringing everyone down and supporting the boys, giving them some extra motivation.

Well done to Grant High School and Seaview High School for finishing top two.

PEER SUPPORT

This year 43 Year 11 students nominated to be Peer Support students. They have teamed up to work with Year 7 and Year 8 Home classes to deliver a program of activities that will give students a greater sense of belonging and connection, during Friday Student Development times.

The Peer Support program aims to build social and emotional skills, identify and enhance character strengths and build resilience. Peer Leaders activities will include a range of sports games, the Are you Smarter Quiz competition, Acts of Kindness, Soccer and Basketball competitions, a range of getting to know you games and a Homework club.
